INVITATION TO THE EXHIBITION

May 18 - June 30, 2019
Salon Mondial
Freilagerplatz 9, Basel
(Tram 11, stop Freilager)

Curated by Irène Unholz
Organized by Simon Würsten

We invite you to reflect upon Le Corbusier's and Eileen Gray's modern architecture, artistic determination and loss of control. Humans shape and get lost on holidays as well as in everyday environments. Taking this up, two of the artists are deliberately giving up their control. The Pink Project is taking over.
